Administrator's Update:

Pool Bid Opening

The bid opening for the Pool Rehab project was opened on Thursday, April 16th at 2:00 PM. Three proposals were submitted and one was rejected due to non-compliance with the bidding requirements. The bids came in under engineer's estimates and a copy of the bid tabulation is included with the memo. The bid results will be placed on the April 28th Work Session Agenda for discussion and recommendation.

City Engineer Contract

Staff is reviewing the contract for City Engineers and will bring potential changes to the Council at a future work session. The contract with WSN expires at the end of 2015 and now is the time to review and make any changes.

Administrator's Schedule

I will be out of the office chaperoning at Wolf Ridge and will not be present at the Tuesday, April 28th City Council Work Session.
