**APPROVAL OF THE MINUTES OF THE April 14, 2016, REGULAR MEETING:**

A Motion was made by Commissioner DeMers, Seconded by Commissioner Erickson to approve the minutes from the April 14, 2016 Regular Meeting. M/S/P- DeMers, Erickson; 5-0, mc.

**PUBLIC HEARING: Matter of Preliminary Approval of the Replat of Outlots 77, 78,79,80 and 94 of Auditor's Plat of Outlots 65 through 94 Section 36, Township 152 North, Range 50 West to the City of East Grand Forks**

A Motion was made by Commissioner Demers, was seconded by Commissioner Boushey to open to a Public Hearing. M/S/P- Demers, Boushey; 5-0, mc.

CP Ellis stated that we have received an application from Judd Stauss and Scott Stauss (Roger Hagen and Green Acres, property owners) to Replat Outlots 77, 78, 79, 80 and 94 of Auditor's Plat of Outlots 65 though 94. Outlot 78 will be divided and a portion sold to Green Acres to build a new apartment complex. The remaining outlots will be reconfigured – property lines moved – to have each building on a separate lot. This is being done for financial purposes (each building should be on its own lot for financing and future sales). In total, 7 new lots will be platted and ingress/egress easements will be dedicated. Ingress and egress, as well as, parking for each building will cross property lines. If each lot is owned by a different person, these access easements must be dedicated on the plat and a reciprocal parking and access easement agreement must be recorded with the plat. The paperwork will be provided for the City Council and our City Attorney's review.

This plat proposal will also require a PUD amendment. The Planning Commission will review the new PUD concept plan showing the development of a new apartment building, parking and ingress/egress easements for approval.

She stated that no developer's agreement is necessary. All access to the new building will be an extension to the current access easements. Right-of-Way for future 17<sup>th</sup> St. NE (to the south of the lots) and 20<sup>th</sup> St NE (to the north of the lots) will be dedicated on this plat.

She inquired whether Judd Stauss or Scott Stauss had anything additional to add, they indicated they did not.

A Motion was made by Commissioner Erickson, was seconded by Commissioner Boushey to close the Public Hearing. M/S/P- Erickson, Boushey; 5-0, mc.

CP Ellis then stated that representatives from the Water & Light Department and Public Works Department were present and available to if the Planning Commission would like to ask questions.

Chairman Powers asked Mr. Olson if he had anything he wanted to address; Mr. Olson stated that the design needs to be studied, and the utilities located, to determine if they

would need to be moved. At that point, an engineering firm would need to be brought in and the utilities moved; these costs would be passed on to the applicants. He also stated that he feels a 10 foot easement is needed to handle the present utilities as well as any new utilities that will need to be added. Some discussion was held on where to add the easement, such as on the west side of Lot A, however, it was determined that it should be on the east side to keep it on the applicant's property.

CP Ellis stated that a 10' easement would be added to the east side of B, C and D. Before the extensions of 17<sup>th</sup> and 20<sup>th</sup> are built, Lot 1 will need to be platted and developed. A development agreement will be necessary at that point. Both of the Stauss's indicated that would be fine with them.

CP Ellis that she recommends preliminary approval of the Replat of Outlot B Block 2 Point of Woods 5<sup>th</sup> Addition to the City of East Grand Forks with shown utility and road/access easements and with the following comments:

- 1) Submit a digital file to planning office.
- 2) Provide Reciprocal Parking and Ingress/Egress access easement paperwork to be reviewed and recorded with the plat.
- 3) Add the 10' utility easement to the west side of Lots B, C, and D.

A motion was made by Commissioner Demers, was seconded by Commissioner Boushey, to approve the Replat as recommended by CP Ellis. M/S/P- Demers, Boushey; 5-0, mc.

**PUBLIC HEARING: Matter of Approval of the PUD Amendment for the Green Acres PUD Concept Plan**

A Motion was made by Commissioner Demers, was seconded by Commissioner Boushey to open to a Public Hearing. M/S/P- Demers, Boushey; 5-0, mc.

CP Ellis stated that a new PUD needs to be done, because the old PUD does not cover what they would like to do with the property. The Stauss's are seeking approval of an amendment to the Green Acres PUD concept plan; by adding an apartment building, garages and limited outdoor parking spaces. This also includes ingress/egress easements across other platted parcels. (Applicant has requesting preliminary approval of the Replat of Outlots 77, 78, 79, 80 and 94 of Auditor's Plat of Outlots 65 through 94 Section 36, Township 152 North, Range 50 West to the City of East Grand Forks, MN.) She further explained that PUD is the current zoning for Outlots, Apartment Buildings. The surrounding zoning/land use is North: R-1 zoning, vacant NCTC property, West: R-2 zoning, mobile home park, South: PUD zoning, 4-plex apartments, East: Outside City Limits, Vacant Land/Rural homes. The parcel is located east of 5<sup>th</sup> Ave NE and between 17<sup>th</sup> St NE and 20<sup>th</sup> St NE.

The concept development plan can address a number of items: road design, building square footage, stormwater drainage, driveways, fencing, green boulevard initiative, building setbacks and impervious coverage of lots. Upon review of the existing PUD CP Ellis further explained that:

- 1) It appears that the impervious coverage per lot meets the R-3 requirements.
- 2) 20<sup>th</sup> St NE Right-of-Way is shown on Outlot 94 and extends as ROW on Lot B.
- 3) The setback for the garages is unclear. It should be shown on the PUD plan
- 4) If each apartment is going to be shown on a separate parcel/lot, the PUD plan should show the number of parking spaces required for each building on that lot and the actual number of spaces per lot.
- 5) If the number of parking spaces does not meet the requirements, this should be noted on the plat as community spaces and it should be written in to the Ingress/Egress easement agreement document as shared spaces. If each lot and building is sold to separate individuals, then it will need to be in the agreement paperwork.

CP Ellis recommended approval of the Green Acres PUD concept development plan with the following changes to the Concept Plan:

- 1) The setback for the garages is unclear. It should be shown on the PUD plan
- 2) If each apartment is going to be shown on a separate parcel/lot, the PUD plan should show the number of parking spaces required for each building on that lot and the actual number of spaces per lot.
- 3) If the number of parking spaces does not meet the requirements, this should be noted on the plat as community spaces and it should be written in to the Ingress/Egress easement agreement document as shared spaces. If each lot and building is sold to separate individuals, then it will need to be in the agreement paperwork.

A Motion was made by Commissioner Erickson, was seconded by Commissioner McWalter to close the Public Hearing. M/S/P- Erickson, McWalter; 5-0, mc.

A motion was made by Commissioner Demers, was seconded by Commissioner Erickson, to approve the Green Acres PUD concept development plan with the changes outlined by CP Ellis: M/S/P- Demers, Erickson; 5-0, mc.

RE: City Engineer/State Aid Engineer

## Background:

I have been very fortunate to be the City of East Grand Forks' City Engineer/State Aid Engineer these past 15 years, however all good things come to an end.

You have been seeing Mr. Steve Emery at your City Council meetings more often over the past year and this has been for a reason. I believe in transition and Mr. Emery has been transitioning to become the City Engineer/State Aid Engineer and in my opinion, he has been doing a great job.

It will be bitter sweet not to be your City Engineer, but I know without a doubt, Mr. Emery will do a wonderful job for the City.

## Recommendation:

Approve Mr. Steve Emery as the City Engineer/State Aid Engineer
