Administrator's Report:

Insurance Rates for 2017

The City's insurance representative has received the initial renewal proposal from Northwest Service Co-op/Blue Cross & Blue Shield. Initial projections are considerably higher to the previous two years. We are working with our representative on proposals from other carriers as well as negotiating with our current carrier to obtain a more reasonable rate.

Pool Rehab Project

There have been some bugs in the opening and operation of the pool, but most appear to have been worked out. The pool appears to be quite popular and should be considered a success.
