

Call Before You Dig

If you are planning to dig on your property, state law requires you call Gopher State One Call at least two (2) business days in advance. This free service ensures underground utility lines are marked with color-coded paint or flags. Keep in mind, hand digging is required within two (2) feet either side of the utility markings. Call – 1-800-252-1166 or 811

	Proposed excavation
	Temporary survey markings
	Electric power lines, cables, conduit & lighting cables
	Gas, oil, steam, petroleum lines or gaseous materials
	Communication, alarm or signal lines, cables, or conduit
	Potable water
	Reclaimed water, irrigation and slurry lines
	Sewers and drain lines

Gopher State One Call initiates **all** utilities to locate their lines, including electric, water, sewer, cable, gas, phone, etc. They have 2 business days from the time you make the call to locate the utilities and digging **is not to begin** until that time is up, so plan ahead.

A penalty may be assessed if Gopher State One Call is not called and utility lines are hit when digging.
