**Inspection and Verification**

The Department reserves the right to conduct an inspection of the site after installation to verify that all the program rules and requirements have been met. If the Department finds that the customer has not met its rules and standards, any rebate the customer has received must be returned to the utility.

**Rebate Limits**

- Rebates are processed on a first-come first-serve basis
- Rebate qualifications and amounts are subject to change at any time. East Grand Forks Water and Light CFL Bulb Rebate will stay in place each year unless amended or eliminated.
- The Department reserves the right to limit the maximum amount of rebate per facility/customer in any one year depending on the Department's Conservation Budget.
- The Department does not guarantee that the installation of high-efficiency material or equipment will result in reduced usage or demand or in cost savings.
- The Department makes no warranties, expressed or implied, with respect to any material or equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event will the Department be liable for any incidental or consequential damage.
- The Department is not liable for rebates promised to a customer as a result of a contractor misrepresenting the program.
