 - *Rebate applications must include complete contractor information (including license #, technician signature and services performed)*
- Rebates will be paid as a credit on your utility bill

Rebate Limits

- **The Central A/C Tune-Up service must be performed by a licensed and insured heating/cooling contractor and meet the Minimum Service Requirements specified above.**
- Rebates are limited to one rebate per account per TWO YEARS.
- Rebate requests are processed on a “first-come first-served” basis. Rebate program, qualifications and amounts are subject to change at any time.
- Rebate will stay in place each year unless amended or eliminated.
- The Department reserves the right to limit the maximum amount of rebate per customer in any one year depending on the Department’s Conservation Budget.
- The Department does not guarantee that the installation of high-efficiency material or equipment will result in reduced usage or demand or in cost savings.
- The Department makes no warranties, expressed or implied, with respect to any material or equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event will the Department be liable for any incidental or consequential damage.
- The Department is not liable for rebates promised to a customer as a result of a contractor misrepresenting the program.
