### Rebate Amounts

- **LED Bulbs: 50% of bulb price, up to \$10 per bulb**
- **LED Fixtures: 50% of fixture price, up to \$20 per fixture**

### Which LEDs should I buy to replace my current incandescent bulbs?

To choose the right LED for you, find the light output you need and then choose the bulb with the lowest wattage. The table below shows the LED equivalent of common incandescent bulbs.

Incandescent Bulbs Watts	Minimum Light Output Lumens	ENERGY STAR Qualified LED Watts
40	450	4 to 5
60	800	6 to 8
75	1100	9 to 13
100	1600	16 to 20

### Rebate Qualifications

- **Rebates must be claimed within 6 months of the purchase date on the sales receipt.**
- Only Customers in the East Grand Forks Water and Light service area are eligible for rebates and bulbs or fixtures must be installed in the EGF Water and Light service area.
- Total lifetime rebate limit = \$400 per customer
- Limit one rebate per customer account per year.

### Application

- Submit a completed application along with copies of dated sales receipts
- The Energy Star symbol and UPC symbol from the package must accompany your application.
- Rebates under \$200 will be paid as a credit on your utility bill

### Inspection and Verification

The Department reserves the right to conduct an inspection to verify installation of the Bulbs/fixtures at the address indicated on the application form. If the Department finds that the customer has not met its rules, any rebate the customer has received must be returned to the utility.

### Rebate Limits

- Rebates are processed on a first-come first-serve basis
- Rebate qualifications and amounts are subject to change at any time. The LED Bulb/Fixture Rebate Program will stay in place each year unless amended or eliminated.
- The Department reserves the right to limit the maximum amount of rebate per customer in any one year depending on the Department's Conservation Budget.
- The Department does not guarantee that the installation of high-efficiency material or equipment will result in reduced usage or demand or in cost savings.
- The Department makes no warranties, expressed or implied, with respect to any material or equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event will the Department be liable for any incidental or consequential damage.
- The Department is not liable for rebates promised to a customer as a result of a dealer/retailer misrepresenting the program.
