## **Refrigerator & Freezer Recycling Rebate**

Old, working appliances, like the refrigerator in your garage can add up to \$100 to your annual energy bill. When you purchase a new ENERGY STAR® **refrigerator or freezer** and recycle the old inefficient unit, East Grand Forks Water and Light will issue a bonus rebate for recycling your old ones as follows:

**Refrigerator.....\$50.00    Freezer.....\$50.00**

When you set up delivery for your new appliance, confirm that they will haul away your old one. If you choose to pick up your new appliance yourself, your old one can be brought to an appliance repair shop for recycling. A Recycle Receipt is below for you to have the delivery person or appliance repair shop sign and date as proof of recycling. Return the signed receipt with your application.

East Grand Forks Water and Light will apply rebates on your account. Please allow 3-6 weeks for your rebate. If you have questions, please call 218-773-1163 weekdays between 8:00 a.m. and 5:00 p.m. for assistance.

Note: Rebate requests are processed on a "first-come, first-serve" basis. Funding for the rebate program is limited and any requests received after the funding limit has been reached will not be approved.
