Checklist for Application

- A dated sales receipt
- Completed Application

This program provides monetary incentives for commercial electric customers of the East Grand Forks Water and Light Department who purchase and install Energy Misers on their refrigerated vending machines.

General Qualifications

- Submit a written proposal to the Department for review & approval prior to proceeding with the purchase and installation of the Energy Misers.
- Customers must apply for rebates within 6 months of the purchase date shown on the equipment invoice.
- To be eligible for a rebate, the Energy Miser installation must meet the following conditions
 1. Refrigerated vending machines only.
 2. Vending machines that contain non-perishable goods only.
 3. Indoor vending machine locations only.
 4. Machines **not** located in areas with constant activity (24 hours) only.

Application

- Submit completed application along with copies of dated invoices specifying the quantity & price of Energy Misers purchase.
- Rebates will be paid in the form of a check to the customer

Inspection and Verification

The Department reserves the right to conduct an inspection of the site after the project is complete to verify that all the program rules and requirements have been met. If the Department finds that the customer has not met its rules and standards, any rebate the customer has received must be returned to the utility.

Rebate Limits

- In no case will the rebate paid by the Department exceed 50% of the purchase price of the equipment
- Rebates are processed on a first-come first-serve basis
- Rebate qualifications and amounts are subject to change at any time. East Grand Forks Water and Light Energy Miser Rebate Program will stay in place each year unless amended or eliminated.
- The Department will not rebate for the same installation more than once during the expected life of the installation
- The Department reserves the right to limit the maximum amount of rebate per facility/customer in any one year depending on the Department's Conservation Budget.
- The Department does not guarantee that the installation of high-efficiency material or equipment will result in reduced usage or demand or in cost savings.
- The Department makes no warranties, expressed or implied, with respect to any material or equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event will the Department be liable for any incidental or consequential damage.
- The Department will not be responsible for any tax liability imposed as a result of the rebate payment. Customer are advised to consult their tax advisor
- The Department is not liable for rebates promised to a customer as a result of a contractor misrepresenting the program.
- *The Department has set a 10 year maximum rebate, when combining all Commercial Rebates, at \$100,000.00 per facility.*
